Dear Mr. Stephen:

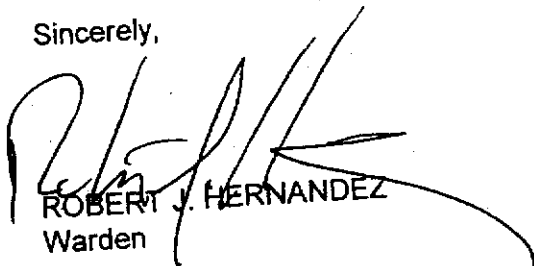

I am in receipt of four Inmate/Parolee Appeals (CDC forms 602) as listed below:

- May 26, 2004, requesting half-time credits be applied retroactively to 1989;
- June 4, 2004, requesting family visits, adult magazines, etc.;
- June 10, 2004, regarding Inmate Trust Account Statements;
- August 27, 2004, requesting to see an Optometrist.

Your documentation has been forwarded to the Appeals Coordinator for review. As you are aware, an inmate under the jurisdiction of the California Department of Corrections (CDC) who feels that any departmental decision, action, condition, or policy which they can demonstrate has an adverse effect upon their welfare may submit an Inmate/Parolee Appeal (CDC form 602) seeking relief from the adverse condition. The CDC has a procedure established by law to process the request for grievance up to the Director's level of review.

If you have any questions or need additional information, please contact the Appeals Office via institutional mail.

Sincerely,

ROBERT J. HERNANDEZ

Re: S146648 – Stephen vs Hernandez

Dear Mr. Stephen:

No action may be taken on your "letter," received October 18, 2006. The order of this court filed September 25, 2006, transferred the records to the Court of Appeal. Please rest assured, however, that the entire court considered the petition for writ of mandate, and the contentions made therein, and the denial expresses the court's decision in this matter.

Very truly yours,

Dear Mr. Stephen:

The court has received your "supplemental" filing in the above-referenced case. On November 28, 2006, this court denied your petition for writ of mandate. The denial of a petition for a writ within the appellate court's original jurisdiction without issuance of an alternative writ or order to show cause is final immediately. (Cal. SEE: ISSUE #2
GRIEVANCES, 602's

Date : April 28, 2005

To : Robert J. Hernandez
Warden RJDCF

Subj : AGENDA FOR UP-COMING WARDENS MEETING

The following is a list of issues / concerns that are being raised in behalf of the inmate general population:

1. Facility III, once again is raising the issue of major yard delays.

Since the start of the Court mandated policy, which shall show accountability for all persons taking (psychotropic/ Hour of sleep or any other controlled medication), there has been and still is a major delay in the program.

Recreational / Yard program during the week, may start in the morning, if at all, around 0945-1015 hrs., for general population inmates. During the weekend, yard start time is even later and the yard supervisory staff blames the delays on the medication pill line.

During the weekend, most of the I/M workers are on their RDS's and are easily located in their housing units. Yet, it takes staff even longer to complete Pill line then it does during the week. Many of the inmates are getting frustrated with these delays and when its' not the pill-line its' shortage of custody staff.

The shortage of staff occurs almost every weekend at least one of the two days and the program is limited to phones and showers or one tear at a time in the dayroom or on the yard. When this occurs, Close Custody inmates are most affected because of their custody level. If the yard was to open at 1030, close custody inmates living on the tear that has yard at that time, will only have a half hour of yard time. why does it take one Staff member almost an hour to track down I/M's who do not show up to take their medication, when there is another five or six more just sitting around doing nothing. There are 2 new yard positions on second watch and 1 on third, but still a shortage of Staff.

MEN'S ADVISORY COUNCIL

To : Robert J. Hernandez

The inmate population is requesting that they not be held accountable, for the actions of those few inmates who choose not to take their medication. It is requested that they be held accountable through progressive disciplinary and then taken off of medication altogether.

2. The issue of inmate appeals (602's) are becoming more and more of a concern. A large number of the inmate population files 602's and either receives a response several months later or none at all. In most cases, "time constraints" are not followed or adheres too, log numbers are not given nor are notifications. The inmate population is voicing their concerns with regards to them being held to the rules and regulations, why does this not apply to Staff.

3. many of the general population inmates are again asking, if this institution can have installed a Cable or Satilite system for better programing. There are several institutions, that have one of these systems already installed which have several different channels available.

With the local TV stations doing away with the broadcasting of Sports, including Monday night football, the only way to view these programs would be on a cable network. the request would be to receive, a Sports, Educational, Nature, Religious, Discovery channel and Two Music channels; BET and MTV. With the installation of one of these systems, the inmate population would have an assortment to choose from, this will also occupy many of the inmates time.

4. Concerns are being raised with regards to inmate marriages and when there will be someone to perform the ceremonies. Many of the inmates have already filled out the proper paperwork needed for this service as well as paid the fees required.

5. Inmates working behind the Work-Change areas are requesting premission to be allowed too take the following items to work with them:

Extra Food Items; Canned Food, Soup, Chips, Cookies ect.. The reason for this request is due to the small amounts of food issued in the sack lunches. Inmates are required to work at least 6 to 8 hours per day, five days a week and what is provided in these lunches, will not adequately fill a person.

Many of the workers are getting frustrated with the small amounts of food being issued, so they are asking that they be allowed to take at least one of the aforementioned items to work with then. They also know that once that item is behind the work change area. it will not be allowed back out, If canned food items are allowed, they would be placed inside

6. Approval to have the Close Custody count conducted on the recreational yard; Many of the Close-A and Close-B inmates are requesting that they be allowed to be counted on the recreational yards, during the 1200 hour count on Saturdays and Sundays.

A vary large number of these inmates work Monday thru Friday and are looking forward to their recreational time on the weekends. With the implementation of all day yard, close custody inmates are recalled from the yard to count. These I/M's are recalled at 1115 hrs. and not released back to the yard until 1300 hrs. this causes them to lose at least 2 hours of yard time.

By implementing this procedure, it will allow for the close custody inmates to receive the same yard time as everyone else in the same privilege group. Per DOM section 52020.4.12 it is permissible to inact this procedure into the institutions plan of operation.

7. Request authorization, per CCR 3377.1(2)(B), to allow Close "A" Custody inmates dayroom activities after the 1800 hrs. count until 2000 hrs.. Close "A" inmate work assignments are only authorized during the day, ending no later than 1800.

Many are requesting dayroom activities during the evening for phone calls, showers and out of cell time. Since the authorization of Close "B" inmates participating in evening program activities, to our knowledge, there has been no reports of any security concerns.

8. A large number of inmates would like to inquire about more self-help groups / programs and family oriented programs with outside contacts and help. Since all trades were discontinued, many of the lifers who have or may of had board hearings are told to aquire such things as, more self-help and trades. The only programs available are christian based which excludes I/M's of other / no faiths. What can be done to ensure that some of these programs can be offered at the institution.
9. There has been many questions with regards to the return of Thrusday and Friday visits. During the weekend two of the four visiting rooms are at there maximum allowed without terminating anyone's visits.

It would be requested to bring back, both visiting days,

Subj : Agenda

Thursday and Friday and if that is not possible, allow one of the two days which would be Friday. By allowing Fridays, it would coincide with the two other days already allotted for visitation, as well as cut down on the over crowding and possible termination of visits.

10. The inmate population would like to know if the Hobby program will ever be reinstated, if so, can you give a tentative date when this will happen. If the program is gone permanently, can inmates use Dick Black Art supplies to order supplies for in-cell art work and drawing.
11. There are many request for "Backdrops" to be painted and used for the taking of visiting room photo's. There are a number of inmates who would be willing to do the painting of these backdrops, if they were allowed to have equipment and the authorization to do so.
12. Some of the Facilities are not using the MAC during controlled movement or lockdown, the population is left in the dark as to what's taking place or how long this status will be. It is requested that when inmate workers are allowed to work, so are the MAC. The Men's Advisory Council, has two paid positions, one for the Chairman and another for the MAC Secretary. When we request to come out of the cells to conduct MAC duties, we are told that you are not needed and when we need you, we will call for you.

The MAC is a conduit between Staff and the inmate population and many of the inmates fill that if the MAC does not convey the problems, concerns or status of a situation then what is their purpose. As you are aware, many of the staff do not like what the MAC stand for and will do what ever it takes to keep it that way. We are again requestint that when the whole institution is not on lockdown, the MAC be allowed out to conduct MAC business during their work hours and when their prospective facilities are on controlled movement they be allowed to work as all others workers.

13. There has been a shortage of Hygiene and cleaning supplies for the housing units. Inmates are having to clean their cells with shampoo or laundry detergent purchased from the canteen or thru a quarterly package. When asked why there are no cleaning supplies, we are told that none have been given.

14. There has been many questions raised with regards to Fund Raisers being allowed again. The institution and the inmate population has made many charitable donations to the local community and was recognized for such donations. This has been going on for over a decade or more, as well as this being a morale booster for the inmates.

The MAC wants to make a plea to you, to allow these fundraisers once again. As we are sure you are aware, when the fundraisers were discontinued, many of the problems started and then went the exercise yard. With this came much disrespect with staff and inmates. All the inmate population see is take, take, take and no compromise or easing up in sight.

15. The non visiting as well as the visiting inmate population is requesting that Photo's be allowed on the Facilities. Now that the visiting room photo project is up and running and there has been no problems, is it possible to once again allow for the taking of the twice a year yard photo's.

As you are aware, the institution uses an outside photographer to take these photo's. These photo's would be taken twice a year on Mother's Day and Christmas, with a limit on the number taken by one inmate. Many of the non visiting inmate population, understand the fact that inmates want to take photo's with their loved one, they also feel that they should be able to send photo's of themselves to their loved one's as well.

16. The issue of allowing Piano Key-boards are being raised again. During a meeting held in September of 2003, the Key-boards were approved and then the issue of allowing electric guitars came into play. Once the guitars became an issue the Key-boards were then denied.

We are asking once again, to allow the approval of the Piano Key-boards as a second musical instrument here at the Inst..

17. The MAC is wanting to know when the "PLATA" program will be started with regards to the hiring of the much needed staff to ease the work load on the MTA and the yard program.

18. Inmates are requesting Indigent Envelopes and have not been receiving them in a timely manner or at all. The MAC would like a resolve to this issue if one can be provided by the mail room.

Subj : Agenda

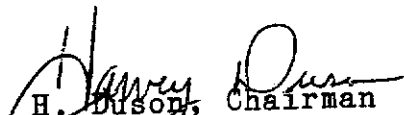

19. There have been many questions with regards to the Family Visiting Units and when they will be repaired. The MAC was told that it would only take Two to Three weeks to have these repairs complete. Can you give us a tentative date as to when these repairs will be complete.
20. The inmate population and the MAC would like to know when and if there is a tentative date for the exercise yards to be complete and what yards will be completed first.
21. There are safety concerns with regards to the wearing of tennis shoes in the kitchen prep areas. Staff and inmate kitchen workers are wanting to know if PIA Boots can be issued to these workers to prevent slipping on the wet / greasy floors.
22. The Temp housed population has concerns with regards to their recreational yard being split. On two of the Facilities, housing temp housed inmates will only allow one building out at one time for one hour if that and then will release the other unit. Per Operations Manual, temp housed inmates are to receive yard from 1100 - 1300 hours. The plan does not say anything about splitting yard time between them.

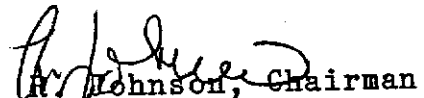

The inmate population would like to know why many of the questions or issues they have and address, are not answered.

The Men's Advisory Council would like to thank you for your time and consideration in these matters.

Respectfully'

1st, 5th & 10th violated.

G. Consent to Magistrate Judge Jurisdiction

In order to insure the just, speedy and inexpensive determination of Section 1983 Prisoner cases filed in this district, the Court has adopted a case assignment involving direct assignment of these cases to magistrate judges to conduct all proceedings including jury or bench trial and the entry of final judgment on consent of all the parties under 28 U.S.C. § 636(c), thus waiving the right to proceed before a district judge. The parties are free to withhold consent without adverse substantive consequences.

The Court encourages parties to utilize this efficient and expeditious program for case resolution due to the trial judge quality of the magistrate judges and to maximize access to the court system in a district where the criminal case loads severely limits the availability of the district judges for trial of civil cases. Consent to a magistrate judge will likely result in an earlier trial date. If you request that a district judge be designated to decide dispositive motions and try your case, a magistrate judge will nevertheless hear and decide all non-dispositive motions and will hear and issue a recommendation to the district judge as to all dispositive motions.

You may consent to have a magistrate judge conduct any and all further proceedings in this case, including trial, and the entry of final judgment by indicating your consent below.

Choose only one of the following:

☒ Plaintiff consents to magistrate judge jurisdiction as set forth above.

OR

☐ Plaintiff requests that a district judge be designated to decide dispositive matters and trial in this case.

APPEAL DECISION PARTIALLY GRANTED

FIRST LEVEL REVIEW

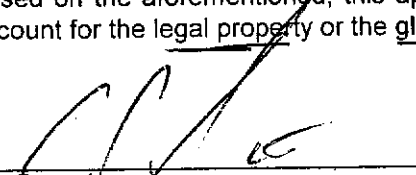

APPEAL ISSUES: You allege that on September 29, 2006, while at the Central Library, you were seated at a desk, when a group of correctional officers entered the library and without any provocation attacked you. You identified the officers as I. Bravo, C. Lira, M. McCurty and Sergeant Armenta. You also said as a result of this incident you lost your legal property and prescription glasses.

APPEAL RESPONSE: In reaching a decision on this issue, a thorough review of your appeal has been conducted. The applicable sections of the California Code of Regulations (CCR), Title 15, the Department Operations Manual, Lieutenant Munoz' video interview of your allegations of inappropriate use of force, (CDCR 3014) and Lieutenant Woods' Crime/Incident Report (CDCR 837) to include Incident Commander's Review/Critique Use of Force # RJD-CEN-06-09-0592.

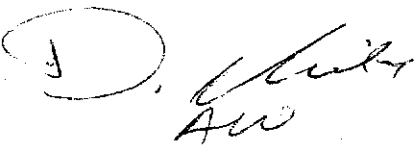

On Monday December 11, 2006, Correctional Lieutenant G. Savala interviewed you regarding your appeal issues. During your interview, you allege that on September 29, 2006, while at the Central Library, you were seated at a desk, when a group of Correctional Officers entered the Library and without any provocation attacked you. You identified the Officers as I. Bravo, C. Lira, M. McCurty and Sergeant Armenta. You also said as a result of this incident you lost your legal property and prescription glasses. Your only request was that you be awarded damages, which was clarified with you by myself, Lieutenant Savala, to mean money.

Officers Lira, McCurty, Bravo, Sergeant Armenta, Inmate Prince V-80747, and Ms. Simon, the Central Librarian, were interviewed. Lieutenant Munoz' video interview of your allegations of inappropriate use of force, (CDCR 3014) and Lieutenant Woods' Crime/Incident Report (CDCR 837) to include the Incident Commander's Review/Critique Use of Force # RJD-CEN-06-09-0592, were thoroughly reviewed. The information gathered from all these resources indicates you battered Ms Simon, the Central Librarian, when she attempted to retrieve a document as you were attempting to forge your name as the recipient of a "CERTIFICATE OF ACHIEVEMENT" for "Legal Assistant/Paralegal Civil & Criminal Law." She activated her personal alarm, and responding staff arrived. You were still seated at a desk. Officer Bravo ordered you to stand up and turn around so that he could place handcuffs on you. You did not comply with the legal order given to you. Instead, you reached into a box causing Officer Bravo to fear for his safety. He responded by using physical force on you. Officer Palencia and Officer McCurty assisted Officer Bravo in overcoming your resistance, effecting custody, and gaining compliance with the lawful order. They used the minimal amount of force required, which is evident by the injuries you sustained; an abrasion to your shin, as noted on your CDCR 7219. Sergeant Armenta and Officer Lira arrived after the force had been used. Officer Lira's involvement in this incident consisted of him escorting you to the Treatment Triage Area.

Based on the aforementioned, this appeal is Partially Granted at the First Level of Review because I could not account for the legal property or the glasses you claimed you lost during this incident.

CIRCUMSTANCES On Friday, April 28, 1995, at approximately 0650 hours, while performing my duties as "D" Facility Yard Officer #1, I was performing random clothed body searches on inmates exiting dining hall #2. I ordered Inmate STEPHEN, J., C-56483, D3-123L, to submit to a clothed body search. STEPHEN refused stating "You aint touching me mother fucker", and began walking away. I again ordered STEPHEN to allow me to perform the search, STEPHEN stated "Fuck you, you aint touching me. Call the sergeant over." I called Correctional Sergeant (A) G. Ellis over and advised him of the situation. Sergeant Ellis ordered STEPHEN to submit to the search. STEPHEN assumed the position with legs spread, arms out, facing away from me. As I placed my hands on STEPHEN'S back, he spun around, cocked his right fist and simultaneously stepped towards me. To avoid being hit, I grabbed STEPHEN with both arms around his middle torso and yelled for him to get down. STEPHEN twisted vigorously to the right and struck me twice (2) in the right eye area with his right fist. Responding staff immediately subdued STEPHEN and placed him in handcuffs. STEPHEN was escorted to the Program Office holding cell to await processing for Administrative Segregation.

Inmate STEPHEN is aware of this report.

I took a step back, secured my MK-p Oc Spray Strap and told I/M STEPHEN to settle down and he said, "Fuck you, you'll get yours." I repeated my instructions for him to settle down and he backed up and went in his cell. FINDINGS: NOT GUILTY of COR 3005(c) THREATENING STAFF, a Division "D" offense, based on the preponderance of the following evidence considered during the hearing:

- A. The RVR dated, 11-27-05, authored by C/O M. Espinoza; he does not document a threat by I/M STEPHEN in any fashion or form. At worst, I/M STEPHEN disrespected C/O ESPINOZA, stating, "You have been fucking with me from the beg which does not constitute a threat.
- B. As documented by C/O Espinoza, I/M STEPHEN did lock it up in his cell, with C/O Espinoza subsequently returning at 1945 hours to his cell and the cell door was closed, and then I/M STEPHEN made the remark, "Fuck you, you'll yours!".
- C. The SDO notes an incomplete IE Report, in that one documented Inmate Witness, I/M CLARK, K-12655, F3-14-129L was not interviewed. On Friday, September 29, 2006, at approximately 1840 hours, while performing my duties as a Librarian in the Central Library, Inmate STEPHEN, J., C-56483, F3-15-136U, requested approval for copies to be made of several documents. I examined the documents and discovered an altered/falsified diploma among other documents. I told STEPHEN that I would not approve copies to be made of the fraudulently altered diploma. While handing it back to him, I said, "I can write you up for this." He shouted back, "Go ahead and write me up then!" I instructed him to hand the document back to me but he instead began to stuff it into his legal folder. I reached out to pull the paper from his hand, but he hit my hand, and forcefully pushed my right hand away to prevent me from doing so. I pressed my alarm, and Officer I. Bravo arrived and ordered STEPHEN to get up out of the chair and turn around to allow handcuffs to be placed on him, with negative results. Instead of complying with orders, STEPHEN suddenly reached into a box that was at his feet. Officer Bravo wrapped both arms around the inmate's upper torso and used his body weight and strength to forcefully place him on the floor with the assistance of Officer C. Palencia who had also responded to the Library and observed Officer B struggling with Inmate STEPHEN. Inmate STEPHEN further resisted by holding his arms tightly under his body, twisting

Hearing (continues).....

FINDINGS: NOT GUILTY of CCR 3005(c) BATTERY ON A NON-PEACE OFFICER, Reg. Use of Force, a Division 'B' offense, based on the preponderance of the following mitigating evidence considered during the hearing:

1. The RVR dated 9-29-06, authored by Librarian E. Simon, which states in part;....that Mrs. Simon reached into I/M SIMON's hand to retrieve altered papers, and stated to the inmate, "I can write you up for this..."
2. This SHO notes that the actions by Librarian Simon should have been avoided by a Non-Peace Officer. The Librarian should have summoned Officers to retrieve the contraband.

This SHO therefore elects to Dismiss this Serious RVR based on the aforementioned evidence considered during the hearing and also notes that the due process of time constraints were violated.

DISPOSITION: Not Guilty: Dismissed. Per CCR 3326(2), the CDC-115 will be removed from the Central File of the inmate he will be provided a completed copy of the RVR, and a completed copy will be placed in the Register of Institution Violations. All other copies of the CDC-115 and supplemental reports shall be destroyed.

Refer to Classification for Program/Housing review.

The inmate was advised he would receive a final copy of this report after audit by the Chief Disciplinary Officer, and of his right to appeal this action per CCR 3084.1 within 15 days thereof on a CDC-602 form if dissatisfied.

Office of the Inspector General

March 28, 2005

Jimmie Stephen, C-56483
Richard J. Donovan Correctional Facility
480 Alta Road
San Diego, CA 92179

Dear Mr. Stephen:

The Office of the Inspector General has received your correspondence postmarked February 8, 2005. In your letter, you allege inmate John Young, T-71261, was murdered by correctional staff. Additionally, you allege your property was confiscated, and you site problems with your trust account.

A limited inquiry was conducted into the homicide of inmate Young, and it was determined that an investigation is currently being conducted by another agency; therefore, it would be inappropriate for our office to intervene at this time.

As for your property and trust account issues, we determined that these issues could be more effectively addressed through a general approach rather than individually. Given the volume and complexity of the complaints we receive, it is not possible for us to fully research and respond separately to each complaint. Therefore, we attempt to focus our audit and investigative resources on issues where the greatest needs exist. We believe that in this way we can provide the greatest benefit to you and others who have been affected. We have therefore included your concerns in our computer database for further review and analysis. If we conduct an audit or investigation of the issues you raise, you may be contacted later.

Meanwhile, we encourage you to continue to try to use available administrative remedies, such as the CDC-602 inmate/parolee appeal process. If you have questions about the process or the status of your appeal, please contact your correctional counselor for advice and assistance.

Thank you for bringing your concerns to our attention.

Sincerely,

FOR COURT USE ONLY
(SOLO PARA USO DE LA CORTE)

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (www.lawhelpcalifornia.org), the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), or by contacting your local court or county bar association.

Tiene 30 DÍAS DE CALENDARIO después de que le entreguen esta citación y papeles legales para presentar una respuesta por escrito en esta corte y hacer que se entregue una copia al demandante. Una carta o una llamada telefónica no lo protegen. Su respuesta por escrito tiene que estar en formato legal correcto si desea que procesen su caso en la corte. Es posible que haya un formulario que usted pueda usar para su respuesta. Puede encontrar estos formularios de la corte y más información en el Centro de Ayuda de las Cortes de California (www.courtinfo.ca.gov/selfhelp/espanol/), en la biblioteca de leyes de su condado o en la corte que le quede más cerca. Si no puede pagar la cuota de presentación, pida al secretario de la corte que le dé un formulario de exención de pago de cuotas. Si no presenta su respuesta a tiempo, puede perder el caso por incumplimiento y la corte le podrá quitar su sueldo, dinero y bienes sin más advertencia. Hay otros requisitos legales. Es recomendable que llame a un abogado inmediatamente. Si no conoce a un abogado, puede llamar a un servicio de remisión a abogados. Si no puede pagar a un abogado, es posible que cumpla con los requisitos para obtener servicios legales gratuitos de un programa de servicios legales sin fines de lucro. Puede encontrar estos grupos sin fines de lucro en el sitio web de California Legal Services, (www.lawhelpcalifornia.org), en el Centro de Ayuda de las Cortes de California, (www.courtinfo.ca.gov/selfhelp/espanol/) o poniéndose en contacto con la corte o el colegio de abogados locales.
